ABOUT ME

I am Dr. Hamza Ahmad, and my passion for medicine started early, nurtured through my education at GBHS Kot Sabzal, GHSS Khambra Sukkur, and Liaquat Medical College, Karachi. My house job at Sheikh Zayed Government Hospital strengthened my interest in General Medicine. I am eager to contribute as a Medical Officer, focusing on accurate diagnosis, effective treatment, and patient education

WORK EXPERIENCE

House Job

Year of completion 2024

Sheikh Zayed Government Hospital, Rahim Yar Khan, Pakistan

- Rotated through General Medicine, Pulmonology, General Surgery, Thoracic Surgery, and Emergency Care, gaining hands-on experience.
- Assisted in outpatient and inpatient care, daily rounds, and treatment planning.
- Supported emergency teams in managing acute cases and stabilizing patients.
- Provided patient counseling and health education.

Medical Officer – SHED Hospital, Karachi (March 2025 - Sep 2025)

- Worked in General Medicine and ICU, assisting in comprehensive patient care. Actively involved in clinical assessments, treatment planning, ward rounds, and patient counseling.

OPD Experience (Private Practice)

(Sep 2025 - Present)

- Managed Outpatient Cases through detailed history taking, clinical examination, diagnosis, and treatment planning for common acute and chronic medical conditions. Provided patient counselling follow-up care, and maintained accurate medical records in a busy OPD Setting

FUTURE GOALS

- I am highly motivated to pursue a career in General Medicine and Pulmonology, with the ultimate goal of becoming a leading specialist in these fields. I am dedicated to improving the health and well-being of patients by providing high-quality, compassionate care and staying updated with the latest advancements in both General Medicine and Pulmonology

EXTRACURRICULAR ACTIVITIES

- I enjoy playing cricket and have participated in college tournaments. I'm also passionate about calligraphy, Painting and won a competition during medical college, reflecting my creativity and ability to balance both studies and interests
